Re: Late fee assessment for the October 24, 2015 Election

Ms. Horn,

I am sending this letter as a request for a waiver of the above-mentioned late fee assessment for my campaign finance report. We did not intentionally file this report late as we were under the impression that we were filing it along with the current campaign report of the current election. It was not until it was brought to our attention that we needed to file separate reports for both elections instead of combining the two for the outstanding balances. Once we were instructed by the Board of Ethics, we immediately made the amendment and corrected both reports.

Once again, I ask that you accept this request and clear my account of any and all fees.

Sincerely,

A handwritten signature in black ink that reads "Michael W. O'Brien". The signature is written in a cursive, flowing style.
